Davids-MacBook-Pro:UF-Directory-App-Assignment Sparkz$ mocha server.test.js
```

```
UF Directory Server Unit Tests
  Server responds to requests
    ✓ should respond (55ms)
  Server provides listing data as JSON on proper request
    ✓ responds correctly to a GET request to "/listings" (120ms)
    ✓ responds with a 404 error to other GET requests

3 passing (197ms)
```

Davids-MacBook-Pro:UF-Directory-App-Assignment Sparkz\$

**All tests were passed and I bubbled and squared the important data.**
